PROFESSIONAL PROFILE

Creative and data-conscious digital marketer with hands-on experience scaling organic social communities, producing high-engagement micro-content, and coordinating D2C commercial operations. Proven track record of capturing viral attention with zero ad spend, achieving 53,000+ peak post engagements and sustained 10%–17% story view rates. Adept at translating consumer behavior insights into high-impact copywriting, visual storytelling, and cross-channel campaign growth.

EXPERIENCE & BRAND GROWTH

Content Creator & Organic Growth Strategist | @mehehehmwe (Digital Cultural Brand) Nov 2023 – Present

- Viral Distribution & Copywriting:** Grew an independent text-based digital brand to 1,000+ followers, generating over **53,000+ likes** on a single collaborative post and consistently sustaining 30,000–55,000 impressions without paid advertising.
- Audience Retention & Aesthetics:** Maintained an exceptional **10%–17% daily story view rate** (100–169 active viewers) and a 71.8% non-follower discovery rate through a consistent, minimalist visual identity (black screen, white typography) and relatable cultural copywriting.
- Demographic Targeting:** Cultivated a high-converting core demographic with **90% aged 18–34** across key US, UK, and international markets, utilizing native analytics to refine content pacing and engagement triggers.

E-Commerce & Commercial Operations Lead | Independent D2C Food Venture Oct 2020 – Present

- Commercial Brand Management:** Directed daily ordering, unit margin pricing, and supplier fulfillment, sustaining a 99%+ on-time order delivery rate and healthy operating margins.
- Customer Retention & Feedback:** Established direct digital communication channels to address customer inquiries and adapt product offerings, driving strong repeat order volume and organic word-of-mouth advocacy.

Digital Operations & Data Assistant | College of Business Administration Jun 2025 – Aug 2025

- Performance Reporting:** Maintained and organized student internship datasets in Microsoft Excel using formulas and pivot tables, streamlining performance tracking and operational reporting for faculty leadership.
- Benchmarking & Market Alignment:** Conducted market research and regulatory benchmarking to support academic program positioning, identifying emerging skill demands across commercial industries.

Communications Facilitator & Peer Tutor | University Learning Center Jan 2023 – May 2023
