PROFESSIONAL PROFILE

Detail-oriented Human Resource Management graduate with a strong foundation in people operations, academic data administration, and talent program coordination. Experienced in managing cross-departmental internship lifecycles, maintaining structured student performance databases in Microsoft Excel, and conducting regulatory curriculum benchmarking. Combines analytical problem-solving with strong interpersonal skills, eager to contribute to talent acquisition, employee experience, and graduate rotational tracks.

PROFESSIONAL EXPERIENCE

HR Operations & Academic Data Intern | College of Business Administration Jun 2025 – Aug 2025

- **Internship Lifecycle Management:** Coordinated onboarding, placement verification, and performance evaluations for university students, ensuring alignment with institutional objectives and partner criteria.
- **Workforce & Data Administration:** Maintained comprehensive student databases and performance logs in Microsoft Excel using formulas and pivot tables, streamlining grade verification and reporting for faculty leadership.
- **Program & Regulatory Benchmarking:** Researched international compliance frameworks to support the launch of the MSc in Financial Compliance; proposed structural modernizations for undergraduate HR modules.

Peer Facilitator & Academic Mentor | University Learning Center Jan 2023 – May 2023

- **One-on-One Mentorship:** Coached undergraduate students in professional written communication, public speaking, and critical reading, directly improving retention and course completion metrics.
- **Stakeholder Liaison:** Acted as a bridge between students and faculty advisors, recommending tailored developmental strategies to resolve comprehension and engagement difficulties.

Operations & People Lead | Independent Commercial Venture Oct 2020 – Present

- **Resource & Schedule Management:** Supervised daily operational workflows, coordinating ingredient sourcing, margin controls, and kitchen delivery schedules with a 99%+ on-time fulfillment record.
- **Customer & Team Relations:** Established active feedback loops to evaluate service bottlenecks, resolving operational issues promptly and cultivating high community satisfaction.

Digital Community Strategist | Independent Media Project Nov 2023 – Present

- **Communication & Brand Voice:** Curated professional digital communication strategies for an audience of 1,000+ members, achieving 10%–17% daily engagement through disciplined messaging and community management.
